However, it is agreed and acknowledged that the ultimate decision on the use of Passport funding is beyond the control of Bethesda. Where the client/family member/substitute decision maker elects to receive supports normally provided by members of the bargaining unit from non-Bethesda staff, Bethesda will discourage said supports from taking place on Bethesda's property. Notwithstanding the foregoing, the parties acknowledge that the ultimate decision is not within the control of Bethesda.

However, where Passport funding has been directed by the individual and/or individuals family/substitute decision maker to make up a portion of Bethesda operating budget, where Bethesda has complete care and control of the Passport funds, Bethesda will ensure that services provided by non-Bethesda staff will be conducted off of Bethesda property with the exception of work not normally provided by members of the bargaining unit.

Re: Joint Job Evaluation Plan (JJEP)

The parties acknowledge that a Joint Job Evaluation Plan for full-time employees has been established and implemented.

All new full-time positions in the bargaining unit will be evaluated by the JJEC and appropriately placed on the wage grid based on points. If the committee agrees that a position within the bargaining unit has changed then that position will be re-evaluated by the committee.

The parties further agree that each new evaluation, or re-evaluation will be given an opportunity to appeal the results of the JJEC in accordance with the JJEC plan.

Re: Increased Funding

The parties agree that if the employer is to receive extraordinary funding provided by the Ministry of Community and Social Services (hereinafter referred to as the "Government") that is wholly expressed specifically directed to the payment of wages and benefits, from April 1st, 2024 to March 31st, 2026, the Employer agrees to distribute the said extraordinary money as directed by the Government of Ontario; and, in the absence of such direction the Employer agrees to distribute the said money in a manner that will insure that all employees of the Employer for whom the extraordinary money is directed, receive the same percentage increase. It is understood that only funding specific to wages and benefits will be paid to staff.

It is further understood that the above undertaking only applies, and Bethesda is only obligated to distribute extraordinary funds, to the extent that any increase extraordinary funds provide for is greater than any general increase provided for in the Collective Agreement. For example, if the Collective Agreement provides for a 0.5% wage increase in year 1, and extraordinary funding is received that allows for a 1.5% wage increase in the same year, Bethesda hereby undertakes to distribute the additional 1.0% wage increase funded by the extraordinary funds.

For the purpose of this letter extraordinary funding is defined as:

- i. Funding by the Government of Ontario provided outside the ordinary process of funding by the Government of Ontario; and
- ii. Which is designated solely for the purpose of distribution to designated employees of the Employer with respect to a designated time period.
