EMPLOYER BARGAINING AGENCY**

hereinafter referred to as the “Employer”

- and -

**OPERATING ENGINEERS
EMPLOYEE BARGAINING AGENCY**

hereinafter referred to as the “Union”

WHEREAS the Union and the Employer are desirous of establishing a form of standard collective agreement with respect to employees of Employers engaged in the construction industry as defined in the Labour Relations Act and equipment rental within the Province of Ontario, to provide uniform interpretation, application and administration of the relationship established,

IT IS EXPRESSLY AGREED AND DECLARED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:-

ARTICLE 1 - DURATION OF AGREEMENT

1.1 This Agreement shall become effective on the 1st day of May, 2025 and shall continue to remain in effect until the 30th day of April, 2028, and shall continue in force from year to year thereafter unless either party shall furnish the other with notice of termination, or proposed revision of this Agreement within one hundred and twenty (120) days before the 30th day of April, 2028, or in a like period in any year thereafter.

ARTICLE 2 - RECOGNITION

2.1 The Employer recognizes the Union as the exclusive bargaining agent for all employees of the Employer for whom the Union has bargaining rights within the Province of Ontario engaged in work covered by the schedules and classifications set out in this Agreement, and any additional classifications as may be agreed to by the parties.

2.2 The on site operation, repair, maintenance and servicing of all equipment listed in this Agreement shall be performed by a member of the Union including the assembly and dismantling of equipment operated by members of the Union and coming within the jurisdiction of the Union, boom, boom sections and counter-weight installation and removal and any other requirements necessary to put equipment into production or preparation for removal from operations. Additional assistance by other than Union members for the installation or removal of boom, boom sections and counterweight components shall only be used upon agreement with the Union.

2.3 When repairs are performed in the field by the Employer, this Agreement shall apply and the crew of the equipment under repair will assist with the service and such repair on the job site. In the event it is not possible to employ the crew productively on such repairs they may be utilized on other work within the classifications of this Agreement but they shall not replace another crew.

2.4 After the initial erection when a Climbing or Traveling Crane or other Tower Hoist is being climbed, repaired or dismantled, one of the regular operators of such crane or hoist shall form part of the crew performing such work and shall take instructions from the person directing that crew.

- 2.5** When equipment covered by this Agreement is being moved from place to place under its own power, only employees covered by this Agreement shall be used to move such equipment.
- 2.6** No equipment shall be operated by demonstrators on a site for more than two (2) working days without the Union being notified and a qualified Union Operator being present in order that they may familiarize themselves with the equipment.

ARTICLE 3 - UNION SECURITY

- 3.1 a)** The Employer shall first call the Union Office whenever personnel are required. If the Union cannot supply such personnel within forty-eight (48) hours, excluding Saturdays, Sundays and Holidays, the Employer may secure such personnel from any other source. The Employer may recall former regular employees through the Union Office who have been absent from the Employer up to twelve (12) months.

When the Union supplies personnel to an Employer, the Employee shall provide the Employer with the following information:

- Name,
- Home address,
- Telephone numbers (home and mobile),
- Social Insurance Number, and
- Confirmation the Employee has completed all training mandated by the Ministry of Labour or any other government agency.

Prior to commencing work, the Employee must present up-to-date training certificates to the Employer for all training mandated by the Ministry of Labour or any other government agency. If an Employee fails to present such certificates, the Employer shall not hire the Employee and the Employer's refusal to hire the Employee shall not be the subject of a grievance and the Employee shall have no entitlement to any compensation under the Provincial Collective Agreement for that day.

The Employer shall first call the Union Office whenever personnel are required. If the Union cannot supply such personnel within forty-eight (48) hours, excluding Saturdays, Sundays and Holidays, the Employer may secure such personnel from any other source. The Employer may recall former regular employees through the Union Office who have been absent from the Employer up to twelve (12) months.

- b)** Effective May 1, 2026, in order to be eligible to be supplied to an Employer, an Employee must have successfully completed a Union and Employer-approved code of conduct and respect in the workplace training program within the past three (3) years. 3.3 Employees working under this Agreement shall be members of the Union in good standing, or make application to become members of the Union within seven (7) days of hiring or be replaced upon written request by the Union.

3.4 a) The Employer agrees to engage only those sub-contractors and equipment rentals (except equipment dealers) who are in contractual relations with the Union to perform work set out in the classifications of this Agreement, dredging, or as otherwise agreed to by the parties.

b) Without restricting in any way, the application of the sub-contracting provision contained in **Article 3.4 (a)** of this Agreement, an Employer who undertakes a contract with an Owner to provide construction management services shall be subject to said **Article 3.4 (a)** unless:

3.5 a) As a condition of employment the Employer shall require each employee to sign a form which authorizes the Employer to deduct regular monthly union dues, working dues, advancement dues, initiation fees and annual assessments from the employee's pay.

The regular monthly Union dues shall be deducted from each employee on the first pay period of each month.

The Union shall notify the Employer of the amounts and any changes thereto of the above-mentioned deductions.

- b) All dues, fees and assessments so deducted shall be remitted together with Pension and/or Benefit contributions set out in this Agreement on or before the 15th day of the month following the month in which such deductions were made. At the request of the employee concerned, incidents of alleged discharge for cause shall be in writing.

- 24.11** (i) Each Employer bound by this Agreement shall contribute an amount per hour, as set out, and as amended from time to time, in the applicable Schedule, for each hour paid or worked by each employee covered by this Agreement as such Employer's contributions to the administrative costs of the applicable Association.
- (ii) The Constituents of the Employer Bargaining Agency will advise the Employer Bargaining Agency, and the Employer Bargaining Agency will notify the Union of the applicable required contribution to the Employer Industry Fund.

- (iii) The Employer shall remit such contributions with the other contributions under **Articles 24.2, 24.3 and 24.8** together with the supporting information as required by the Trustees on the Reporting Form.
- (iv) Such contributions shall be immediately paid to the Local or Trade Association by the Administrator of the Funds.
- (v) The Employer Bargaining Agency agrees to hold harmless and indemnify the Union and the Trustees against any liability incurred as a result of contributions made under **Article 24.11 (i)**.

26.3 Derating

The Employer agrees not to utilize any crane equipment from any manufacturer and/or supplier that has been derated from its original maximum hoisting capacity.

The Employer further agrees not to utilize any crane equipment from any manufacturer and/or supplier where said equipment is rated with a greater maximum hoisting capacity outside the Province of Ontario than the maximum hoisting capacity of the same crane equipment within the Province of Ontario (both herein defined as derated crane).

Any alteration of the load charts that were provided with the crane upon its purchase as supplied by the manufacturer for the purpose of decreasing the crane's lifting capacity will be considered derating.

The Employer agrees that reprogramming or limiting a crane's Load Moment Indicator (LMI) in a manner which produces a lifting capacity that is lower than the lifting capacity set out on the crane's original load charts will not change the crane's manufacturer's rating.

The parties agree that the manufacturer's rating is an objective measurement that does not vary with any sort of modification of any equipment, or the addition or subtraction of any component parts.

Without limiting the generality of the foregoing, in the event the Employer violates the prohibition against utilizing any derated crane, the Union shall be entitled to seek remedies, including but not limited to damages, in the same manner as violating the manning of equipment provisions (**Article 26**).

- 26.4** The classifications set out in the attached Schedules shall include all similar equipment, with or without attachments, in each group working on land or water or underground; and shall be manned and/or operated by members of I.U.O.E., Local 793. Rates for new types of equipment not presently used by the Employer shall be classified and agreed upon by the Union and the Employer as conditions indicate.

However, the Union shall be notified in advance of intended use of such equipment and said rates shall be incorporated within fifteen (15) days of such operation.

ARTICLE 27 - PAY EQUITY

- 27.1** The parties agree that as of January 1st, 1990, there are no female dominated job classes within the bargaining unit and therefore, there are no pay equity adjustments required.

This statement is deemed to constitute the Pay Equity Plan for the Employer Bargaining Agency and the Employee Bargaining Agency.

ARTICLE 28 - HUMAN RIGHTS

- 28.1** Whenever the masculine gender is used in this Agreement the Agreement shall be read as if the feminine gender was included, and all the terms and conditions of this Agreement shall be applied equally to all members of the Union without discrimination of any nature whatsoever because of race, sex, religious beliefs, political opinions or any other ground prohibited by the Ontario Human Rights Code.

- 28.2** The Employer and the Union express their joint determination to deal co-operatively and constructively with the problem of substance abuse. This includes but is not limited to making referrals to the DeNovo Treatment Centre and

other employee assistance programs.

ARTICLE 29 - SCHEDULES

29.1 The parties agree that **Schedules “A” to “O”** attached hereto are incorporated into and form part of this Collective Agreement.

ARTICLE 30 – LOCAL EXEMPTION OR AMENDMENT

30.1 a) Where a particular clause, article or provision contained within the Provincial Collective Agreement creates a competitive disadvantage in a specific geographic area within the jurisdiction of the Employee Bargaining Agency, the Employee Bargaining Agency and a Constituent Employer Association may reach a Memorandum of Local Exemption or Amendment, in writing, to exempt or amend the particular clause, article or provision of the Provincial Collective Agreement for the geographic area specified in the Memorandum of Local Exemption or Amendment and such Memorandum shall be ratified by the Employer and Employee Bargaining Agencies.

b) Where the Employee Bargaining Agency and a Constituent Employer Association agree on a procedure to amend the terms of the Provincial Collective Agreement, then that procedure shall be ratified by the Employer and Employee Bargaining Agencies and **Articles 30.2 to 30.8** hereunder shall not be applicable to requests for amendment or exemption.

c) Where a matter referred to under this Article is not resolved between the parties within seven (7) calendar days, the matter may be referred to the Provincial Labour-Management Board (“PLMB”) in accordance with **Article 30.2** hereunder.

30.2 Where no agreement is reached between the parties in accordance with **Article 30.1**, either party may refer the matter to the PLMB. The PLMB shall be made up of six (6) representatives, with three (3) appointed by the Employee Bargaining Agency and three (3) appointed by the Employer Bargaining Agency.

The PLMB shall meet with the parties and attempt to resolve the matter(s) in dispute. The PLMB will have no power to make a final and binding determination of the matter(s) in dispute, except where the parties to the dispute mutually agree to authorize the PLMB to make a final and binding determination. Where the PLMB is authorized to make a final and binding determination, the PLMB shall render such a decision based only on unanimous agreement of all members of the PLMB or in the absence of a recorded dissent by a member of the PLMB. Where the matter(s) in dispute is not resolved within seven (7) calendar days, it may be referred in accordance with **Article 30.3** hereunder.

30.3 The Employer Bargaining Agency may refer any matter addressed but not resolved under the terms of **Article 30.2** to final and binding determination by an Arbitrator chosen from the appended list of persons who will be retained by the parties for the duration of the Provincial Collective Agreement.

i) The Employer Bargaining Agency may propose amendments or exemptions, which would apply to any of the following:

- (a)** The kind of work performed, which could be all work performed in the industrial, commercial and institutional sector or a specified kind of that work.
- (b)** The market in which it is performed, which could be work performed for all of the industrial, commercial and institutional sector or a specified market in it.
- (c)** The location of the work, which could be work performed in all of the Employee Bargaining Agency’s geographic jurisdiction or a specified portion of it.
- (d)** Amendments with regard to a specific job or project.

ii) The Application may seek only amendments or exemptions that concern the following matters:

- (a)** Wages, including overtime and shift differentials.
- (b)** Restrictions on an Employer’s ability to select employees who are members of the Union.
- (c)** Accommodation and travel allowances.
- (d)** Hours of work and work schedules.

The Employer Bargaining Agency agrees that it will not refer frivolous or minor claims under this Article.

- 30.4** The person selected to arbitrate any matter pursuant to **Article 30.5** below shall, at the request of either party, mediate those matters, but in no case shall the time periods in **Article 30.5** be exceeded.
- 30.5**
- a)** The Employer Bargaining Agency shall submit its final Proposal for Amendment with regard to amendments to the Provincial Collective Agreement with written submissions, to the Arbitrator, with a copy to the Employee Bargaining Agency. The Employee Bargaining Agency shall likewise submit its final Proposal for Amendment (if any) to the Provincial Collective Agreement with written submissions to the Employer Bargaining Agency and to the Arbitrator within seven (7) days. The Arbitrator shall, at their sole discretion, hold hearings or request further clarification from either party, and if satisfied that the terms of the Collective Agreement places the Employer(s) at a competitive disadvantage, the Arbitrator shall choose the Proposal for Amendment to the Collective Agreement, which removes the competitive disadvantage. Such selection shall be made within fourteen (14) calendar days of the date of the referral by the Employer Bargaining Agency. The Arbitrator shall not provide reasons for their selection.
 - b)** Subject to the terms of this Agreement, the Arbitrator shall have all the powers of an arbitrator pursuant to subs. 48(12) of the Labour Relations Act, 1995.
 - c)** The Arbitrator shall select the final proposal which most achieves the objective of removing the competitive disadvantage under **Article 30.5** with the least changes to the terms of the Provincial Collective Agreement.
- 30.6** No amendment(s) pursuant to this Article will have application following the expiry date of this Provincial Collective Agreement.
- 30.7** Where the Employer Bargaining Agency has made a final proposal pursuant to **Article 30.5** and such proposal has been rejected by an Arbitrator, no proposal with regard to the same amendment(s) will be made within one (1) year of the rejection.
- 30.8** No referral to arbitration pursuant to **Article 30.5** may be made during the period of 120 days before the Provincial Collective Agreement ceases to operate.
- 30.9** The Employer Bargaining Agency agrees to oppose any request or application by any Employer Group or Association to become a Designated Regional Employers Organization under Bill 69, other than the Constituent Employer Associations referred to in and covered by this Collective Agreement.
