A W A R D

The two grievors, Santino Galli and Dario D'Andrea, are sheet metal workers based at Toronto Transit Commission's Hillcrest complex. They were both relieved of duties on February 3, 2015.

Having heard the representations of the parties, I order as follows:

1. Both of the grievors are to be reinstated to their previous positions forthwith.
2. For each of the grievors, an unpaid suspension of 20 days which would normally have been paid is to be substituted in place of the termination.
3. Subject to the suspensions above, the grievors are to be made whole.
4. I remain seized of any issues arising out of the implementation of this award.
