Grievance of Nicole Walker Horning

Lorne Slotnick, Arbitrator

Hearing – Hamilton, Ont., October 11, 2017

A W A R D

This grievance (#CS2-17-037) involves a job posting for an environmental aide position at the Juravinski Hospital site of the employer.

Having heard the facts related to this grievance, I order the employer to place the grievor into the next full-time (75 hours per pay period) vacancy for an environmental aide at the Juravinski site that is within her restrictions, without posting the position. For clarity, this would include any environmental aide position except those on the discharge clean team.

I will remain seized.

A handwritten signature in black ink, appearing to read "Lorne Slotnick", written over a horizontal line.
